Technical Analysis of Stocks & Commodities

Neal Berger
Founder and President of Eagle's View Capital Management, LLC

"[Schneider] offers accessible guidance to readers on making financial decisions throughout every stage of their lives, including managing their existing portfolios and 401ks. The author walks the reader through the six most essential sectors of the US economy as seen through six market phases... She illustrates how to recognize these phases and understand their inter-relationships... an evergreen methodology that adapts to every market scenario."

"Michele Schneider offers the general public a way to take control of their own portfolio and, in effect, become their own best money manager. She opens the world of finance to those who thought they could never comprehend it before."

“

Morgan Busby

CEO of Financial Media Corp

"What makes Mish unique and sets her apart, is how she uses her real-world experience to explain complex ideas and then reduces them down to a simple actionable plan that lets the individual investor take control of their finances."

“

Franklin Ochoa

Author, "Secrets of a Pivot Boss," President and Founder, PivotBoss, President and Founder, Ochoa Capital Management

"Michele's passion and skill for teaching shines, as she deftly teaches powerful concepts in a relatable manner, and provides a road map that can be used by anyone to make successful money decisions in all markets. As a market professional, I know the importance of understanding market phases, and having a road map and system for engaging these markets, and Michele nails it with this profound work."
